# 1. Purpose

---

The purpose of this Data Protection Complaints Handling Process ("Process") is to provide a fair, transparent, and effective mechanism for individuals to raise concerns regarding the processing of their personal data and to ensure compliance with:

- UK General Data Protection Regulation (UK GDPR);
- Data Protection Act 2018 (DPA 2018);
- Data (Use and Access) Act 2025 (DUAA);
- Information Commissioner's Office (ICO) guidance on data protection complaints
- CA, NZ and US federal, state and provincial data handling complaints requirements.

This Process applies to all complaints received on or after 19 June 2026 and while meeting UK Data Protection legislative requirements the process is applicable to all Company personal data processing on a global level and to data subjects in all relevant geographical regions.

# 2. Scope

---

This Process applies to complaints relating to:

- Collection of personal data;
- Use of personal data;
- Disclosure or sharing of personal data;
- Data retention practices;
- Data security measures;
- Direct marketing activities;
- Automated decision-making;
- International transfers of personal data;
- Handling of data subject rights requests;
- Personal data breaches;
- Any alleged infringement of data protection legislation.

This Process applies to complaints from:

- Customers;
- Employees;
- Job applicants;
- Contractors;
- Suppliers;
- Website users;
- Any individual whose personal data is processed by the Company in their role of a Data Controller.

# 3. Definitions

---

## Data Protection Complaint

A complaint made by or on behalf of an individual alleging that the Company has failed to comply with data protection legislation in relation to personal data.

A complaint does not need to:

- Refer to legislation;
- Use legal terminology;
- Be labelled as a "data protection complaint."

Any expression of dissatisfaction relating to the handling of personal data must be considered for assessment under this Process.

## Complainant

The individual making the complaint or their authorised representative.

# 4. Complaints Principles

---

The Company will ensure that all data protection complaints are:

- Handled fairly and impartially;
- Investigated objectively;
- Managed without undue delay;
- Documented appropriately;
- Resolved at the earliest opportunity;
- Escalated where necessary;
- Used as a source of organisational learning.

# 5. Making a Complaint

---

The Company shall facilitate the making of data protection complaints through multiple accessible channels and in Company relevant geographical regions.

Complaints may be submitted via:

- Email  
[dataqueries@managemy.com](mailto:dataqueries@managemy.com) ;
- Website contact form;
- Post  
Manage My Ltd, Albany House, Claremont Lane, Esher, Surrey, KT10 9FQ, UK  
or  
Manage My Inc, 600 S. Tryon St, 18th Floor, Charlotte, NC 28202, USA.

Individuals shall not be required to use a specific complaint channel.

Where a complaint is received by an employee, the employee must immediately forward the complaint to the Lead Controller.

## 6. Information Provided to Individuals

---

The Company shall inform individuals:

- Of their right to complain to the Company;
- How complaints can be submitted;
- Of their right to complain to the relevant Data Protection Authority;
- How the complaint will be handled.

This information shall be included within:

- Privacy Notices;
- Data Subject Rights correspondence;
- Complaint acknowledgement letters;
- The Organisation's website.

## 7. Complaint Receipt and Logging

---

Upon receipt of a complaint, the Company shall:

- Create a complaint record.
- Assign a unique reference number.
- Record:
  - Date received;
  - Complainant details;
  - Nature of complaint;
  - Relevant processing activities;
  - Assigned investigator;
  - Deadlines and actions.

All complaints shall be entered into the Data Protection Complaints Register.

## 8. Acknowledgement

---

The Company shall acknowledge receipt of the complaint within thirty (30) calendar days of receipt.

The acknowledgement shall include:

- Complaint reference number;
- Name or role of investigator;
- Summary of the complaint;
- Expected next steps;
- Contact details for further enquiries;
- Information regarding the complainant's rights.

## 9. Initial Assessment

---

Within ten (10) working days of allocation, the investigator shall determine:

- Whether the matter constitutes a data protection complaint;
- Whether additional information is required;
- Whether immediate remedial action is necessary;
- Whether the complaint indicates a personal data breach;
- Whether escalation is required.

Where clarification is needed, the investigator shall contact the complainant promptly.

## 10. Investigation

---

The investigator shall conduct an appropriate and proportionate investigation.

Activities may include:

- Reviewing relevant records;
- Interviewing personnel;
- Examining technical logs;
- Reviewing policies and procedures;
- Assessing legal obligations;
- Consulting the Data Protection Officer (DPO);
- Consulting Legal Counsel where required.

The Company shall make appropriate enquiries and keep the complainant informed of progress where investigations are ongoing.

## 11. Escalation Criteria

---

The complaint shall be escalated to the Data Protection Officer immediately if:

- Special category data is involved;
- Criminal offence data is involved;
- A personal data breach is suspected;
- Significant regulatory risk exists;
- Multiple individuals are affected;
- Legal proceedings are threatened;
- The complaint raises systemic compliance concerns.

## 12. Complaint Outcomes

---

Following investigation, the Company may determine that:

## Complaint Upheld

The Company accepts that a breach of data protection requirements has occurred.

Actions may include:

- Apology;
- Corrective action;
- Rectification of personal data;
- Erasure of personal data;
- Restriction of processing;
- Additional staff training;
- Process improvements.

## Complaint Partially Upheld

The Company accepts some aspects of the complaint but not all.

## Complaint Not Upheld

The Company concludes that data protection obligations were met.

# 13. Response to the Complainant

---

The Company shall provide the outcome of the complaint without undue delay.

The final response shall include:

- Summary of the complaint;
- Investigation undertaken;
- Findings;
- Actions taken or proposed;
- Explanation of decisions made;
- Information regarding escalation rights.

The response shall also explain the individual's right to complain to their relevant Data Protection Authority if dissatisfied.

# 14. Escalation Information

---

The Company shall inform complainants that they may contact their geographically relevant Data Protection Authority (for example in the UK it is the [Information Commissioner's Office](#)).

The Company shall cooperate fully with any subsequent Data Protection Authority investigation.

## 15. Personal Data Breach Identification

---

Where a complaint reveals a potential personal data breach, the matter shall immediately be referred to the Company's Personal Data Breach Response Procedure.

The complaint investigation and breach investigation may proceed in parallel.

## 16. Record Keeping

---

The Company shall maintain records of:

- Complaints received;
- Acknowledgements issued;
- Investigation activities;
- Communications with complainants;
- Outcomes;
- Corrective actions;
- Lessons learned.

Records shall be retained in accordance with the Company's Retention Schedule.

## 17. Monitoring and Reporting

---

The Data Protection Officer shall review complaint data at least quarterly.

Reports shall include:

- Number of complaints received;
- Categories of complaints;
- Response times;
- Outcomes;
- Root causes;
- Trends and recurring issues;
- Corrective actions implemented.

Management shall review reports to identify opportunities for improvement.

## 18. Training

---

All employees shall receive training covering:

- Recognition of data protection complaints;
- Escalation procedures;
- Complaint handling obligations;

- Data Protection legislative requirements and expectations;
- ISO27001 Information Security Management and ISO27701 Data Privacy requirements.

Training shall be refreshed at least annually.

## 19. Continuous Improvement

---

The Company shall periodically review:

- Complaint trends;
- Root causes;
- Policy effectiveness;
- Regulatory developments;
- Data Protection Authority guidance.

Processes shall be updated where necessary to maintain compliance and improve customer outcomes.

## 20. Review

---

This Process shall be reviewed:

- Annually;
- Following significant complaints;
- Following regulatory changes;
- Following Data Protection Authority enforcement action or guidance updates.
